Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner called Mr. Froebrich because claim 26 is dependent upon claim 34 and claim 34 is not provided among the claims in the last amendment. Upon review, Mr. Froebrich indicated that claim 26 should be depended upon claim 33 and that claim 33 should be dependent upon claim 25 instead of being dependent upon claim 20. Both parties agreed to make these changes through an Examiner's amendment in order to place the application in condition of allowance..
